Qualifications for Credential: A person applying for a license as a fireworks manufacturer shall attach to this form a photocopy of the following:

1. A federal license issued under 18 USC Chapter 40 Section 843.
2. An inspection report from Safety & Buildings Division that says the fireworks manufacturer plant had an acceptable inspection completed within sixty days of the date the division receives the application.

The Federal Department of the Treasury, Bureau of Alcohol, Tobacco and Firearms (ATF) issues the federal license. Please contact the ATF to obtain the federal license. Your federal representative or senator may have the phone number for the ATF. The federal license must contain the name of the person who is applying on behalf of the business and the expiration date of the federal license shall be sometime in the future.

In order for the inspection report to be acceptable, the inspection report shall contain all of the following information:

- name and address of the plant;
- name of Safety & Buildings staff person who did the inspection;
- date of the inspection; and
- a statement explaining that the plant met all the requirements of ch. SPS 309, and ch. 167.10, Stats.

The inspection is considered to be the first step in the application process. To schedule an inspection contact one of the following Division of Industry Services staff:

| City | Phone | Name |
|---------|----------------|--------------|
| Madison | (608) 261-2503 | Dave Vriezen |

Note: Chapter SPS 309, Wisconsin Administrative Code requires an inspection of the fireworks manufacturing plant at least once a year. Once a fireworks manufacturing license is issued the division will notify the plant when an inspection is needed.
